The co-operation of Skiareal Spindleruv Mlyn and ISIC started in 2006 as a benefit co-operation. ISIC cardholders are currently able to obtain 20% discount on ski passes throughout the whole ski season. Since the start of our co-operation we were able to participate on several events organized by ISIC as well as be part of the annual winter campaigns communicating ski benefits in Czech Republic. We are happy to co-operate with the ISIC as a strong partner targeting student segment.
