Dear Shane

Further to our recent meeting I wish to confirm that USI is interested in pursuing further discussions with ISIC with a view to an agreement regarding USI partnering with ISIC in the promotion of a joint ISIC-USI international student ID card. USI is the sole national representative organisation for 230,000 3<sup>rd</sup> level students in Ireland and the vast majority of student unions around the country are USI members.

So far our discussions have been very productive and I am preparing a plan for you to consider as to how USI can work with ISIC in producing a card that will be accepted by our members across the country.

Yours sincerely

David Byrne

General Manager
